

# USS WALDRON 2022 Annual Reunion Dallas-Fort Worth Area Will be April 27 – May 1, 2022

This Reunion will be hosted by Bob Travis. Come on down to the Metroplex and join your shipmates for a **BIG TEXAS** good time!

The Dallas–Fort Worth Metroplex encompasses 13 counties within the state of Texas. Residents of the area also refer to it as DFW, or the Metroplex. It is the economic and cultural hub of North Texas and is the most populous inland metropolitan area in the United States. The major cities include Dallas, Fort Worth, and Arlington.

## Hotel Information

The reunion officially runs from Wednesday, April 27 until Sunday, May 1, and we will be staying at the full service Courtyard by Marriott Dallas DFW Airport North/Grapevine 2200 Bass Pro Court Grapevine, TX 76051 1-817-251-9095

The Courtyard offers **free shuttle service** to/from the DFW International Airport on the hour & half-hour. The rate is \$115/night plus tax, and is good 3 nights before and 3 nights after based on availability. A buffet breakfast each morning is included in the rate. Mention that you are with the **USS WALDRON ALUMNI REUNION** to assure you are associated with our group. It is always best to make your reservation directly with the hotel and not a central hotel-chain call center. They will ask you for a deposit or credit card number to guarantee your room reservation. The cutoff date for hotel reservations at the rate and reunion registration is March 30, 2022.

**NOTE:** Southwest Airlines **does not** fly into DFW airport! Southwest flies into Love Field which is 18 miles from our hotel, and the hotel does not provide a shuttle service to Love Field (DAL)

Everyone is encouraged to be **fully vaccinated** before attending the reunion. Attendees will need to bring face masks, as certain venues we visit may require them. None of us are Spring Chickens anymore, and being vaccinated would be a courtesy to your shipmates and their families.

If you encounter any problems please contact this year's reunion coordinator [Bob Travis](#).
